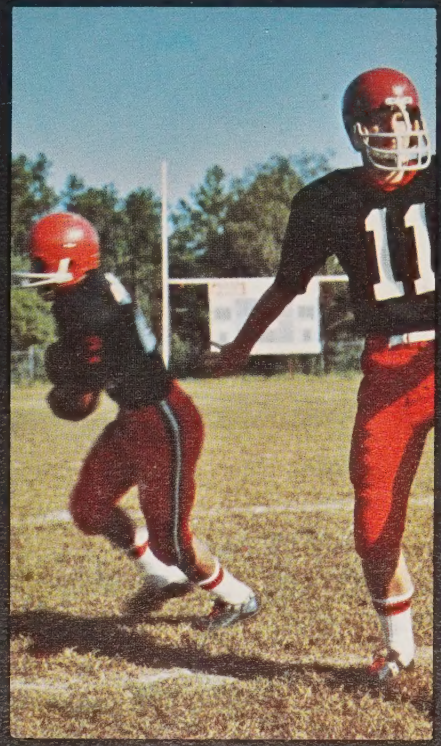
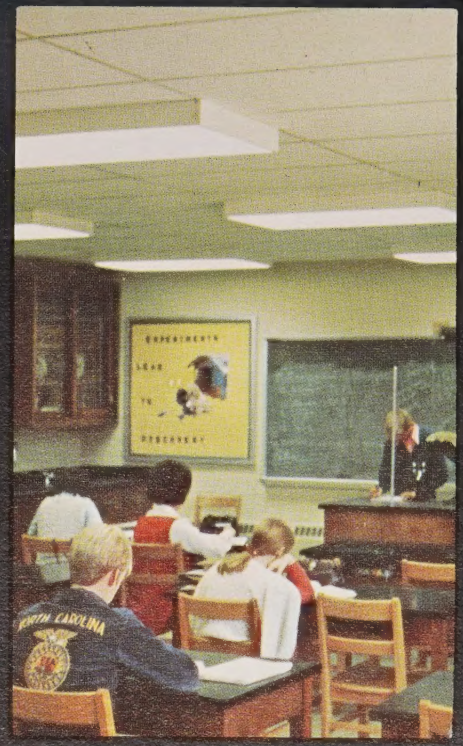
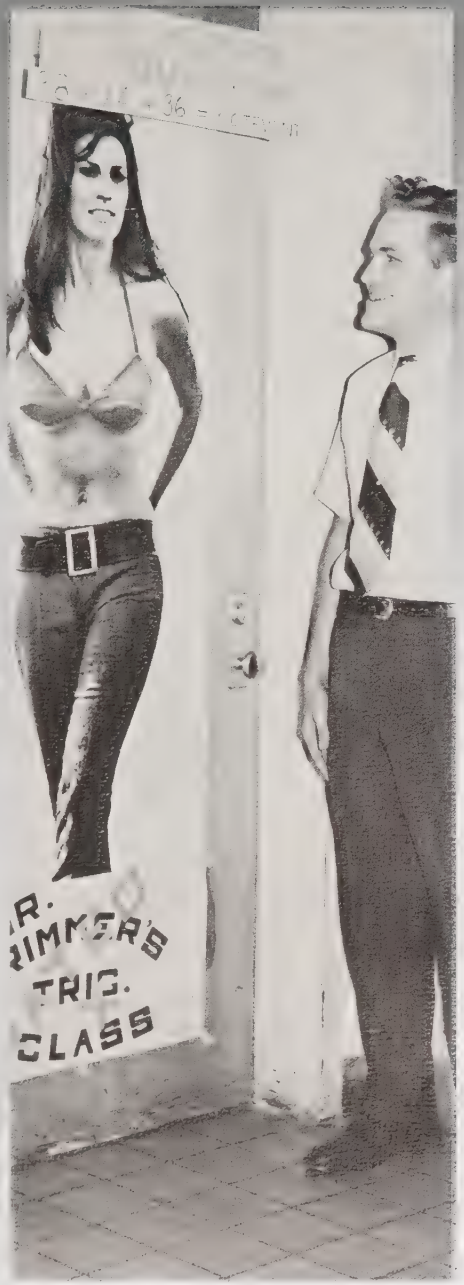
Mrs. Dolly Shaw
Instructor and friend

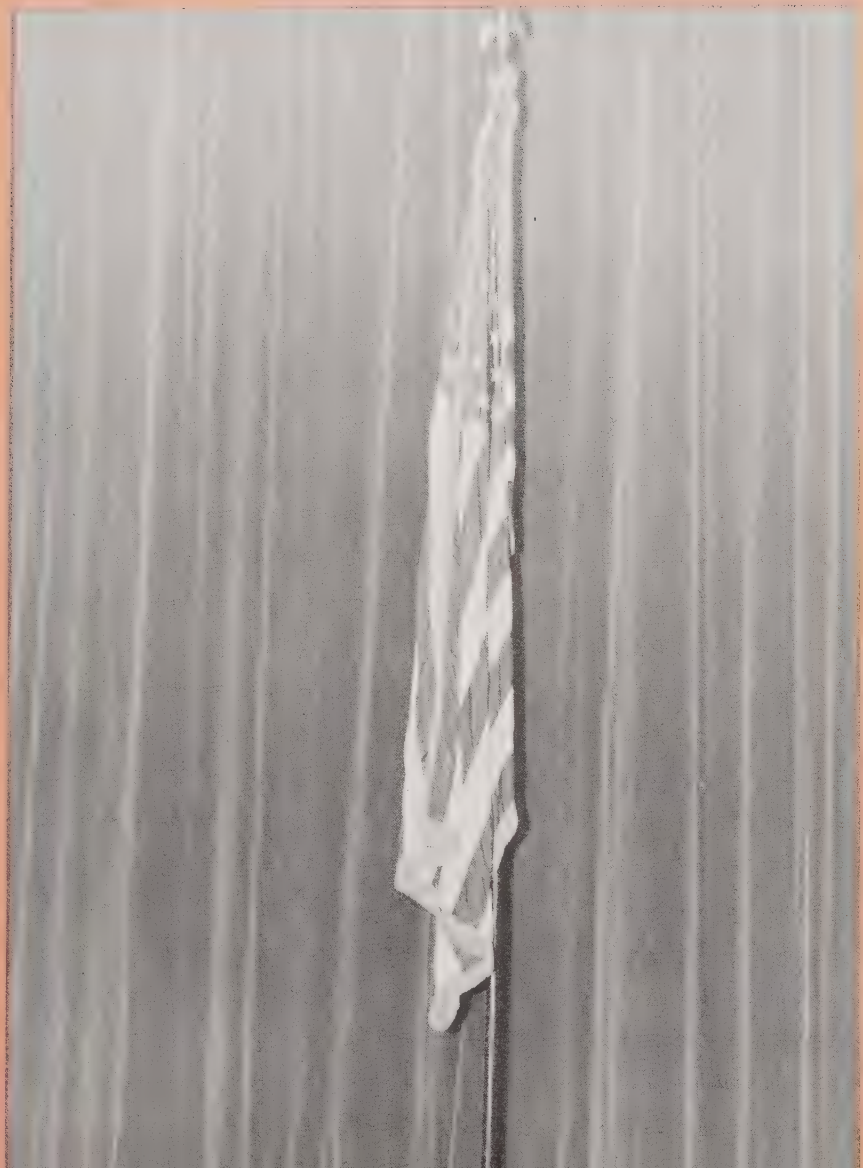
In these times we attempt to focus upon the youth of today as individuals rather than merely as statistics. Individuals in the sense of communications with fellowmen . . .
athletic ability . . .
distinguishing talents . . .
the desire for learning . . .





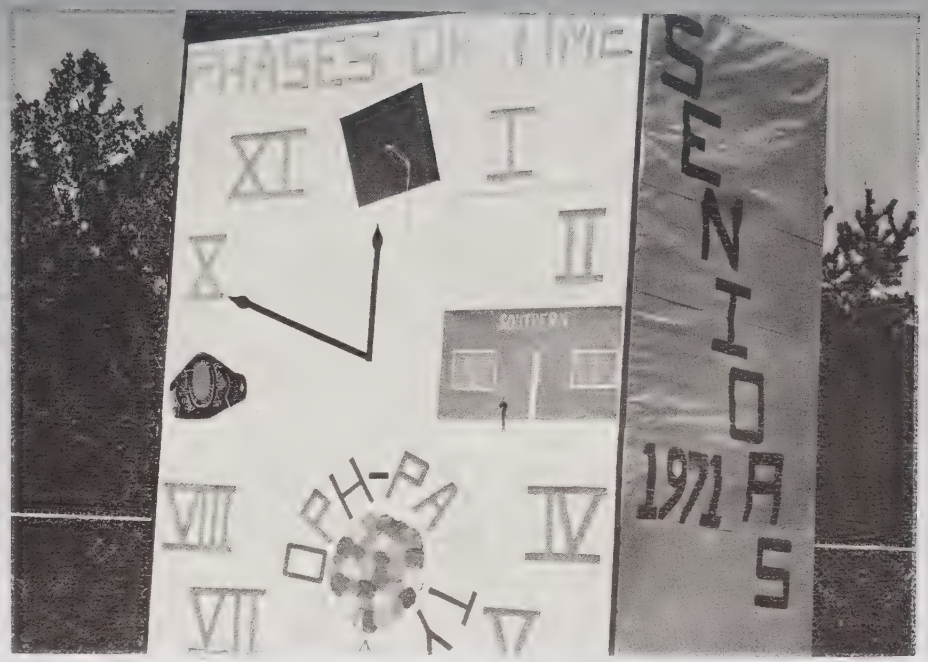


. . . the ability to form relationships . . . create thoughts that flow without strain or friction . . . and develop skills that strengthen student interest in learning.



A closer scan of a routine week at Southern reveals the rush to get a place in the lunch line . . . the Friday night football games, fans oblivious to frozen toes and red, runny-noses . . .

. . . a touch of beauty . . .



. . . the enthusiasm
brought by school
spirit . . .
the joy attained from
a long-awaited
class ring . . .

. . . the relief brought by guidance
. . . the reward of individual research
. . . All this and more comes into perspective as we focus upon . . .

By determination and enthusiasm Confed gridders managed to complete a very successful season this year. The overall season record was six wins, three losses, and one tie. The tie came as the highlight of the season when the Confeds managed to hold state-ranked Reidsville to a 6-6 stalemate. Led by the running attack of ace Darnell Glover and Ken Smith and the outstanding play of lineman Mike Ursery, the Confeds managed to bring fans out of their seats while they scored touchdowns and held opposing teams to very little yardage. These three boys also received the honor of being chosen as all-conference players.

Wrestling

Team victory in a wrestling match depends entirely upon individual achievement. Each wrestler must work to equip himself with the necessary stamina and co-ordination for personal success on the mat. Our team's outstanding record was a great indication of the individual effort that was devoted to this season.

Classes

Seniors begin an eventful year

The Senior Year at Southern is the happiest and at the same time the saddest. Events the seniors enjoyed were the Senior Class Party, ordering graduation announcements, the Junior-Senior Prom, measuring for caps and gowns, and finally Graduation Day. After four wonderful years at Southern, the seniors face the future with high hopes and a bit of hesitation, not knowing exactly what awaits them in the outside world.

Class of '72 experiences a busy year

The junior year is by all means an eventful one. As upperclassmen, juniors assume new responsibilities and many must seriously look towards life after graduation. Important events of the junior year were the Junior Class Party, arrival of class rings, and the Junior-Senior Prom. Most important of all, however, is the realization that in another short year the class of '72 will be receiving their diplomas and taking the first step on the road to adult life.

The sophomore year is one filled with events and expectations. No longer a lowly freshman but not yet an upper-classman, students nevertheless greatly enjoy their sophomore year. Highlighting the sophomore year is the Sophomore Party and, of course, dissecting frogs in biology.

Freshmen participate in Southern's activities

Freshmen arrive at Southern feeling lonely and confused. After the first few frantic weeks of finding the right classroom, getting the right schedule, and learning new names, they finally get into the "swing" of things and settle down to an organized high school routine. They eagerly make new friends and seek acceptance from upperclassmen. Their desire to achieve socially, scholastically, and physically prove them to be a valuable part of Southern.

Mrs. Primm,

It has been alot of fun having you for an English teacher this year. I have enjoyed getting to know you, it was great. You are a very nice teacher, I am hoping that I will be lucky enough to have you next year for U.S History. I would like to have you over my house anytime that you would like to come. Just call me before you come. This year I have come to understand alot of things better than I used to. I would like to thank you for helping me be able to do it. Mrs Primm you are a swell person, you are sweet with a great personality. I have gotten the impression that you are like me, I never meet a stranger and I know you dont. Maybe we can do some of the things that we both like, fishing, getting to know people better, learning about plants and the outdoors. I dont like to be shut up in a dark house. Well I have got to go there are others waiting to sign your annual.

Love always,
